STRONG COMMITMENT

To support of the demand of Global Wood Legacy, DSN Group Tbk has been running clear and strong commitment of Legal Wood.

DSN Group Tbk operation has been already serving Japan market since 1990's . Therefore when we were starting application of SVLK in 2010, to implement Indonesian Government Forestry Program, we notice to involve small holders, including spreading seeds, nurseries, and mutual teaching of Falcata trees in many areas in Indonesia.

FAST GROWING SUSTAINED YIELD PLANTATION

2013 DSN volume → 400.000 m³ per ann (included 100.000m³ for Japan market share or equivalent to USD 55 millions)

2016 DSN volume → 500.000 m³ per ann or equivalent to USD 230 millions.

Sincere Hope contribution of additional 100.000m³ product to serve
Japan market.

DSN Group, Tbk

is not standing alone to promote and to support all Legal Wood Programming.

We are one of 601 Indonesian Companies who have already applied this Chain of Custody process and bring sustainability into our processes and businesses.
